The PNGHS PTA welcomes you to bring used uniform items along to the collection day in preparation for the Second Hand Uniform Sales in December and January. All items of uniform to be submitted for sale (or for donation) must be in **good condition, clean, ironed, priced and labelled**.

**Kilts and Blazers need to be dry-cleaned (do not wash).** Wash, press or dry clean all other items. From past experience, items with their dry-cleaning label attached do sell more quickly and for a better price.

Please note that the Second Hand Uniform Shop will not accept the following:

- Garments that are unwashed/dirty.
- Garments in need of repair.
- Garments that are faded.
- Garments that are stained (including paint stains).
- Garments that are torn.
- Worn-out garments.
- Garments with broken zips.

If items are handed in with any of the above defects they will be not be sold.

### **Instructions for selling:**

- Ensure you supply correct contact details including telephone numbers, bank account details.

- Bring all items of uniform labelled to the Old Gymnasium on collection day.

**Any items unlabelled or unpriced will be considered a donation.** Payment will be made into your nominated bank account, less commission, when your item/s have been sold (please allow processing time).
