Dear Prospective Parents and Students

A warm welcome to Palmerston North Girls' High School. Thank you for enquiring about enrolment into our school for 2021.

Enclosed is a Prospectus and a Year 9 Course Information booklet, providing some insight to the education and opportunities we offer our students.

Our Open Day is scheduled for Tuesday 4 August 2020. We have scheduled a number of identical sessions, each beginning with a short presentation in the Huia Centre – Te Puna Toi, followed by a tour that will take approximately 80 minutes. Sessions begin every half hour from 3.30 pm. Please book a session on the PNGHS website, these are open now. Alternatively we are also hosting two school "In Action" tours on Thursday 13 August and Thursday 20 August 2020, at 9 am. These consist of a hosted tour of the school while class is in progress and take approximately 45 minutes. These are also booked online.

Palmerston North Girls' High School operates an enrolment scheme and, if necessary, will ballot the places available to students who live out of the school's described enrolment zone. It is important that you furnish an application by the closing date of 4pm on Monday 31 August 2020. Over the past few years, those who enrol by the closing date are usually accepted.

Staff are available to assist you with your application or respond to your queries. Please telephone reception on (06) 357 9194.

I look forward to receiving an application from you and your daughter, and the opportunity of establishing a partnership in education over the coming five years.

Yours sincerely

Tracy Walker
Principal
